Be loud against fascism

COMMEMORATE THE 'KRISTALLNACHT' PROGRAM that took place in Nazi Germany on 9 November 1938 and is often seen as the symbolic beginning of the Holocaust. Anti-fascist, anti-racist, human rights, Roma and Jewish organisations both inside and outside the UNITED network join the campaign. UNITED co-ordinates activities, functions as an information point and distributes free campaign material. UNITED will prepare a European-wide list of activities to motivate and mobilise NGOs to GET ACTIVE TOO. After the campaign UNITED will publish a report about all (your) activities across Europe. Please send us relevant material such as newspaper articles, photos, leaflets, posters, stickers, activity reports ...
